

Important plan
Information

- **Required maintenance to keep your warranty in force or transfer your warranty** — In order to keep your warranty in force or transfer your warranty, the covered vehicle must be maintained according to the manufacturer's specifications. Proof of maintenance may be required. The performance of normal maintenance services is not covered under your warranty.
- **Prior authorization** — Prior to starting repairs, you or the repair facility must contact the administrator at 1-800-322-3933. If a mechanical breakdown occurs outside the administrator's operating hours, the administrator must be contacted during the next business day. Failure to obtain authorization prior to repairs may result in nonpayment.
- **Exclusions** — Your warranty may not cover or apply to certain conditions. Please refer to the General Warranty Exclusions section of your warranty.

Please see your warranty for specific details.

This brochure is a summary of benefits and should not be relied upon for coverage determinations. Please consult the full terms and conditions to review all coverages, limitations, exclusions and conditions that may apply, including applicable deductibles, if any, and availability options.
