Protect your customers with low-cost, high-value coverage. With theft crimes on the rise, PowerEdge® Ultimate coverage gives them the freedom to ride.

Replacement benefit up to \$5,000 / 5 years
If your product is stolen and not recovered, a replacement benefit can help with deductibles and down payments.

GAP Coverage

In the event of your product's theft** or an accident that results in a total loss, most insurance companies only reimburse the owner for the market value of the product. This, along with the deductible***, can help waive the deficiency between the balance and the settlement from your insurer.
