

## We go the extra mile

so you can enjoy the drive

Driving your vehicle should be enjoyable, not stressful. With your new 3 Star or 3 Star Plus Vehicle Service Contract, you can take comfort knowing you have immediate access to roadside assistance[1], as well as car rental and trip interruption coverage. You can also transfer your Vehicle Service Contract if you sell your car. Our claims representatives have an average tenure of 20 years of industry experience, allowing us to provide quick and accurate claims resolution.

Also, claims can be paid directly to the repair facility. You choose the deductible level that best suits your needs, including an option to have your deductible waived when you return to your issuing dealer's repair facility for service. Deductibles apply to each repair visit.[2]
